Helen Wheatley

Art Gallery of Viera – Featured Artist for February 2017

She is presenting a collection of her latest mixed media abstract paintings. These works involve a complex process of lifting and layering using ink, acrylic paints, stamps, stencils, etc. to create lost and found passages that relate a partial history of the creation of the artwork.

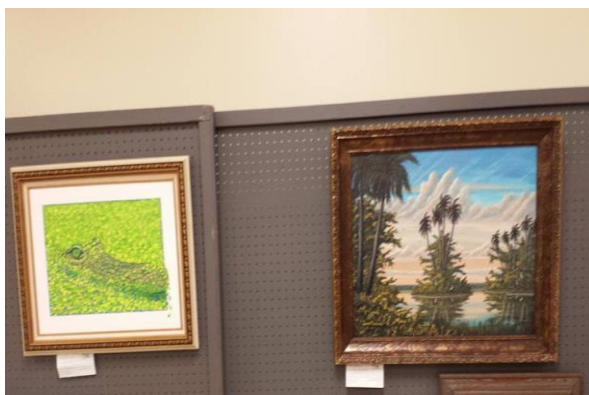

For Helen, art has been a journey of discovery. Her work has evolved from realistic watercolors to mixed media, Ikebana, abstract acrylics and sculpture. Helen has studied with fine artists from across the United States and it is this diversity of influence that has led to her unique style today.

Her works can be viewed Monday – Saturday from 10 am. - 9 pm. and Sundays from Noon - 6 pm. at Art Gallery of Viera located The Avenue, Viera. For more information about Helen and her artwork go to www.HelenWheatley.com or on Facebook at [Security Check Required](#)
