Nemours Children's Specialty Care

Our mission is to function as a collaborative, community-focused organization designed to meet the healthcare and educational needs of our community by providing access to services for children and their families.

Our Vision Is To Develop  
"Strong Families For Life!"

THE CHILDREN'S CENTER

The Children's Center, a service of Parrish Healthcare and one-stop childhood development resource center, provides an array of health, education and human services under one roof. The center is home to many nonprofit community agencies offering a variety of programs to children of all ages and abilities and their families.
