Harry T. Moore Center STAFF CHANGES

Good morning,

I'm reaching out to everyone this morning to inform you of upcoming staff changes in the Neighborhood Services Department and the Harry T. Moore Social Service Center office.

I'm pleased to announce that Ibis Berardi has been promoted to Special Grants Manager, for the City of Titusville. Her new role in the department will focus on managing and developing programs and activities funded by Federal and State grants received by the City. This is a highly responsible administrative and technical position assisting the Director in the implementation of the various grant programs managed by the department. During the transitioning period of Ibis' position, Tracy Davis, Clerical Assistant, will be assisting citizens visiting the Center and coordinating events. Tracy can be reached at 321-567-3785 or tracy.davis@titusville.com

As you may know, the purpose of the Center is to provide a venue for agencies to provide social and human services. Therefore, if your agency is in need of additional office space or would like to open a satellite office here at the Harry T. Moore Social Service, we do have three offices available! The Center is centrally located in Titusville and is near bus transportation stops, County administration, and the business district. These offices are currently offered at no cost to those agencies that can provide direct services from the Center a minimum of 24 hours a week during normal operating hours (Monday-Friday 8 am-5 pm). Based on inquiries, the Center is in need of an agency that can provide assistance with applying for food stamps, Medicaid, Medicare, Social Security, and housing.

The City currently provides referral services for citizens seeking assistance or services from service providers. Additionally, when other service providers are unavailable, we can provide intake services for those citizens needing one-on-one assistance. Our office intake hours will continue to be on Tuesday's and Thursday's from 2 to 4 p.m. by appointment. Walk-ins are welcomed and will be served on a first-come, first-served basis.

During our staffing transition period, I'm confident that we can continue to look to our local service providers for assistance.

For all tenant services, Center operations, and questions or comments, please send your inquiries to my attention. I can be reached at the below number or via this email address.

Thank you for all that you do for our community.

Terrie Franklin, Neighborhood Services Director
Neighborhood Services Department
Harry T. Moore Social Service Center
