WALKERS AND A WHEELCHAIR

If you have difficulty walking or simply getting around the center, we have 3 walkers and a wheelchair for you to use to make your visit to the center a pleasant one if you should need it. If you would like to use one of these aids, see the Operations Manager for assistance.

DECORATING COMMITTEE

L-R: Rita Long, Diane Ruth, Ferrel Mazzato, Faye Walley, Teresa Hayes and Thelma Hayes.

For muscle in storing and retrieving heavy boxes of decorations in the storage area is volunteer Pete Mazzatto.

If you would like to join this fun group and help decorate for various activities at the center, contact any of these members. We have a BLAST!

President's Message

We've been dodging the bullet of hurricanes so far this year. We miss the rain that we need so badly, but not all the other effects of the big "H" storms. Keep your fingers crossed that we continue to be lucky.

Your Board of Directors is in the process of approving modifications to your By-Laws. One of the changes is to recognize and allow our local Fire and Police departments to use your facility for department activities at no charge. We are very fortunate to have the services of these great organizations and believe this allowance is little to pay for the outstanding support they provide the NBSC.

The finances of your center are still in the black even though we have experienced several large expenses over this past month. We now have **SIX** (6) new air conditioning units installed in the facility. We are in the process of replacing one of our refrigerators, after 11 years has died on us! We are still looking for modular units to expand our operations. Frank Nutt, our 2nd Vice President, has been trying every avenue to locate units, but has not been successful as yet. If you know of units that may be available, please contact Frank with the information.

Take care and be safe
You're President,

Joseph (Joe) Mangino
