President's Message

This is short due to the year end report. It has been an honor and a privilege to be president of North Brevard Senior Center this year.
Have a Safe and Happy Holiday Season,
Ferrel

NBSC YEARLY REPORT

I would like to thank everyone who has contributed to the growth of our center this year. In spite of the economic downturn in North Brevard, the center is thriving.

We have completed two massive projects this year – the Park & Lake Project and the conversion of the library into our media room.

The Park & Lake project has been in the planning stage for more than 10 years. This year, thanks to the dedicated efforts of George Van Staden, February saw the ground breaking of the project and our official opening was held on Nov. 26. If you haven't had a chance to walk through our beautiful park, please take the time to enjoy the lake with its fountain, small gazebo overlooking the lake, our large pavilion with picnic tables and a barbeque area. We are now in the process of creating new programs to utilize our Park.

Our second big project, the conversion of the library into our media room, was completed in March. We have taken the least utilized area in the center and turned it into a hub of activity. The computer classes, spearheaded by Dr. Ted Smith and continued by Raymond Beyrle and Terry Eisenberg are very popular.

More than 50 members have taken our computer classes and we still have a waiting list. Our Fall Bowling League had 6 teams participate and we expect to have more teams participating in the Winter League beginning in January. The 60" television in the media room has allowed us to show free movies for our members. We have kept the puzzle table, added DVDs to be checked out, and our book check out rate has increased.

During 2012 the exterior of the building was pressure cleaned, wood was repaired or replaced, and the entire exterior was repainted. The parking lot lines and markings were all repainted and new signage was added to the drive through /drop off area. Work was done to the automatic doors to make them safer. A large storage building was purchased to gives us some much needed storage space.

Inside, we organized, cleaned, updated, and redecorated the kitchen, lobby, president's office, A room, and have begun work on B room.

We have worked this year to economize wherever possible while increasing what we offer our members. In January we added a slide show to the lobby. Besides giving people a view of what the center has to offer, we have also used limited advertising on the slide show. These ads have offset the cost of the equipment and are now adding a little to our bottom line. We have also used these ad spaces for bartering for services such as free professional carpet cleaning, sponsorship of our monthly birthday party and Wii Bowling League, and free advertising of NBSC in the Titusville Playhouse programs.

We also changed the format of the newsletter to allow space for articles of interest to our members and some advertising. This has offset the cost of printing the newsletter.

Events held this year included the first annual Senior/Boomer Resource Fair in January. In Feb., we had our ground breaking ceremony for the Park & Lake project. A Card & Game Party Luncheon and the Space Coast Blast were held in March. During the month of April, Dotti Kunde hosted a Koffee Klatch with homemade goodies once a week for members and we started our once-a-month birthday parties with cake and entertainment free to all our members. This is sponsored by North Brevard Funeral Home. Also in April, Car Fit offered free inspections of cars for members of NBSC.

In June we held our General Meeting with refreshments and entertainment. We also held our "Hello Summer" Picnic and Dance with two dance floors that allowed both the line dancers and ballroom dancers on the floor to the same music.

During August we had a Florida Day Trips presentation by Senior Life Magazine and a free Jazz Concert. A Flea Market was held in September. In October we held a Pumpkin Patch Dinner and Line Dance. In November we had our Fashion Show Luncheon and the Opening Ceremony for our Park & Lake Project. This month we will hold our Election and Member Christmas Party.

Last January we resumed our monthly Center Dances. Thanks to the efforts of Fred Phillips, these dances have become so well attended that we added Center Dances during the three summer months. We also ran a free movie night for members once a month from April – August and a free movie for members on Friday afternoons during the month of August.

Besides our Computer classes and the Wii Bowling League we have several on-going activities initiated this year including: a Monday evening Tap & Jazz class, Tuesday afternoon Mahjongg lessons, Paper Craft workshops , a Scrabble group, a Senior Single Friends group, and a Sewing Club.

We have accomplished a lot this year, and we owe all of this to our volunteers.

Thank you for all your ideas and efforts to make NBSC such a great place.

Sincerely, Ferrel Mazzatto

TITUSVILLE PLAYHOUSE

Two opportunities to enjoy live theatre in Titusville will be presented at the Titusville Playhouse in December . *Joseph and the Amazing Technicolor Dreamcoat* is playing December 1 –16. Performances are Fridays and Saturdays at 8:00 PM and Sundays at 2:00 PM. *Joseph* is a musical based on the story of Joseph from the Bible. *A Tuna Christmas* will be presented for four performances only, December 20-22 (Thursday, Friday, Saturday at 8PM and 2PM on Saturday.) *A Tuna Christmas* is a rocking comedy about a small town in Texas and two actors play all the inhabitants of the town. The Playhouse is also looking for more volunteers for various activities. Volunteers are needed in the Wardrobe Department, as ushers, and in many other ways. If you are willing to give some time, the theater can find a place to utilize your talents.

NEW CLASS OFFERINGS IN JANUARY

2013

DANCE EXERCISE

If you are planning to exercise more in the new year, the new Dance Exercise Class may be just the one for you. This class will GRADUALLY help you to gain stamina and learn basic line dance steps in the process. It will meet on Tuesday and Thursday mornings at 10:00 AM. You can start with just a half hour if you'd like and gradually add time as your endurance increases. The exercise will be done to dance music and repetition of basic line dance steps. After learning the dance steps you will be ready to advance to the beginning line dance classes, if you would like OR continue increasing time and effort in the DanceX class. The class will be taught by Adrienne Herrell, a retired teacher and college professor who also dances with the Space Coast Line Dancers. Cost is $1 for members and $2 for non-members.

WALK IN THE PARK

Walking is one of the most natural and low-stress ways to exercise. With the opening of our new park,NBSC will be offering A WALK IN the PARK, a structured walking program to gently lead participants in gaining physical stamina and losing weight. A Walk in the Park will meet on Monday, Wednesday, and Friday mornings at 9 AM. Walks will take place on the new Vern Jansen Park trail and will be done to music especially chosen for gradual levels of walking over time. The trail is 1/3 mile long so participants can start with a short walk and lengthen walks as they are able. The walks will be led by Adrienne Herrell. There is no cost for this activity.

Please note: Ballroom Dancing will not meet January 7th. Ballroom Dance Classes resume Monday, January 14th. Other dance classes will NOT meet Dec. 21-Jan 7th.

Questions for Dotti

Dotti Kunde is a retired chef, but she keeps on cooking! After cooking for the Astronauts for 24 years she is now catering events for the NBSC. She has volunteered to answer any cooking questions members may have and will share favorite recipes in the monthly newsletter. If you have any questions for Dotti, you may ask her directly, or submit them in the newsletter box in Bruce's office. Here are two recipes that many members have requested.

MARINATED SALAD

4 cups fresh cauliflowerets
4 cups broccoli florets
1 medium red onion, halved and sliced
1 can (8 oz) sliced water chestnuts, drained
1 can (6 oz)pitted ripe olives (black), drained
1 jar (41/2 o) sliced mushrooms, drained

1 bottle (16 oz) Italian salad dressing

In a large bowl, combine the first 6 ingredients, Drizzle with dressing and toss to coat. Cover and refrigerate overnight.

Yield; 16 servings (3/4 cup each)

CARMEL DRIZZLE PUMPKIN POKE CAKE

1 box yellow cake mix
1 cup pumpkin (NOT pumpkin pie mix)
1/3 cup water
1/3 cup vegetable oil (I use Canola oil)
4 eggs
2 teaspoons pumpkin pie spice

TOPPING:
1 can (14 oz) sweetened condensed milk
2 jars (12 oz each) hot fudge topping (I used only 1 can)
1 container Whipped fluffy white frosting
¼ cup chopped pecans, toasted (I used a combination of walnuts and pecans, not toasted)
2 tablespoons caramel topping

Heat oven 350 degrees. Grease or spray 13 x 9 pan.
Beat cake mix and all cake ingredients together with electric mixer until moistened, then beat 2 minutes. Pour in pan and bake for 26-33 minutes.
Immediately poke cake every inch with handle of wooden spoon halfway into cake. Drizzle condensed milk evenly over cake; let stand until milk has been absorbed into cake, about 5 minutes.
Microwave hot fudge until soft. Spoon and spread over cake, pressing slightly into holes. Run knife around sides of pan to loosen cake. Cover and refrigerate about 2 hours or until chilled. (I chilled mine overnight.)
Spread frosting over top of cake. Sprinkle with pecans.
Just before serving drizzle caramel sauce over cake. I also drizzled chocolate sauce. Store in refrigerator loosely covered.

Yield 20 servings

DECEMBER VOLUNTEER OF THE MONTH

Freda Burggraf

Freda Burggraf is originally from Chillichothe, Ohio and has been in Titusville for seven years. Freda worked at the Ohio Bureau of Motor Vehicles for twenty years and owned a sports card shop at one time. She moved here to be close to her daughter. Freda is a line dancer and a Wii bowler extraordinaire. She is also the type of volunteer we love at NBSC, she's ready to help whenever and wherever she's needed. Freda provides the music for the Wednesday afternoon line dance class. She helps with decorating and clean-up on social events and special projects such as cleaning and organizing the storage shed. When Freda noticed that some of the line dance class were struggling, she organized a practice group that meets at her apartment complex on Monday nights. The participants have made enormous progress with the extra practice led by Freda.
