Message from the Marsha

Well, I've made it this far. I want to thank all those who have helped me step up to meet this challenge, as President. I'm only as good as the people that help me, and I depend and listen to you, because this is your Center. Communication is the KEY. We want to do everything we can to stimulate interest and grow.
As you know, being a 501 ©(3) we depend on donations, and our rentals, which have been good, thanks to Michelle Lewis, our Operations Manager. Our activity leaders help a great deal too.

"Thank you" to all of you who are operating an activity. It takes time and talent, and I know those of you who are taking a class appreciate it too.

Moving forward, we can make a difference in our community.

In April you'll see more changes to the Newsletter and in preparation for that, we are looking for suggestion for a New Name for the Title.

Thank You

Ann Rawles and the Hooks and Needles group want to thank everyone for the generous donations of yarn. It helps us to crochet items for 12 local charities. We have received many thank you notes.

==========

WELCOME

Welcome back to our snow birds hope you've noticed some great changes in the building.
Also, a welcome to our newest fixit, set it up, take it down and tidy up man. Say "Hi" to Clim if you see him. He's still learning the ropes. Robert is doing great with his new opportunities. And we wish him well.

These dances are every 3rd Friday night. Mark your calendar so you don't forget, tell your friends and enjoy the music.

What better way to get exercise and impress your "Valentine". Instead of "Be My Valentine" Say, "May I Have This Dance"

Okay corny, but it makes a point.

Come have fun. If you are single, there are people there to dance with too.

Will's experience at the airport: After a return from Rome, Will couldn't find his luggage in the airport baggage area. He went to the lost luggage office and told the woman there that his bags hadn't shown up on the carousel.
She smiled and told him not to worry because they were trained professionals and he was in good hands. Then she asked Will, "Has your plane arrived yet?"

Upcoming Reminders

Every Thursdays, 6:30-9:00 pm, there is Karaoke, with DJ Mike.

Come and listen or practice singing so you are ready for the "Voice", just kidding. But we do have some good talent around here. If you are like me, who just enjoys trying to carry a tune, and likes the sound of applause. Can't beat that for a fun night.

In the Spotlight

Delores (Dee) Pace. 86 years young Born in Kenosha, WI Moved to Florida in 1960.

Dee worked on the Apollo Project in computer wiring and worked in the office. Working for NASA was her favorite job. She retired from there and went to work for Publix as cashier trainer and did manual bookkeeping. Retired in 1983. Then went to work as an office manager for Powers Drive Baptist Church in Orlando from 1990-2013 doing their bookkeeping and other assigned tasks. 2013 she retired once again.

Her favorite things are sewing and working with computers, and that's what she does here at the Senior Center, and a good job she does. She fills in for the sewing instructor when she is needed and watches oh so closely at our front desk.

If you need some space history, just pull up a chair and listen and learn a lot. It's a personal passion, the space industry. She personally shook hands with Virgil Grissom when the 7 astronauts were in a parade, he stepped toward her grabbed her hand and warmly held it and said "good to see you" she was so happy.

She still enjoys working at the Center and looks forward to meeting all of you. She will always greet you with a smile. PS she is a Great, great grandmother, and proud of it. She loves her family.

WHO MAKES THE CENTER RUN AND CREATES A FUN AND SAFE ENVIRONMENT?

Just think about all the activities we have, the class instructors, the teams that plan, decorate, cook food, and tasty desserts.

OUR VOLUNTEERS. Yes, these are the people that make it happen, for you the members, which are our customers sort to speak. We want to see you healthy and happy and meet new friends. It's a great place, isn't it. Well lets meet some of them, okay?

Heartfelt THANKS TO OUR VOLUNTEERS!

Naomi Hostler is the lead on the decorating team. She would like to thank her team. Calvin Rogers, Pat & Joel Maybee, Sharon Wright, for all their help decorating the tables and walls, etc. for all our events, even all the Christmas trees in the building. They all put forth a lot of effort and their time.

Also, Robert and Jason for setting up and tearing down of the tables and chairs. Lifting all the heavy stuff and hanging things from walls and ceilings, bringing in boxes and decorations from the storage shed. Never complaining. As he was working Robert would sing and laugh and was joy to work with.

And Bill, her husband who worked right along with all them. He has been so supportive in this endeavor.

The team worked hard on the Christmas Party, Dinner and a Movie nights, the Space Coast Blast and the 2018 Starlight Review was beautiful. And more to come.

As you can see, she has lots of help. Their last event they decorated for 100 people. It quickly went together because of all the helping hands!

She wanted to do this publicly, because they deserve to be thanked. After all, they are volunteering their own time and energy to make the events a success. These are the people behind the scenes. The unsung workers. Thank you, I love you all. Naomi

Writers Club—Didn't know we had one did ya? Well then let me tell you a little bit more, and you just might go join the class. If you are a senior citizen, you have a story to tell, in fact really we all do, we just don't put it down on paper. Just write it down and join us on Fridays to read 3 pages of it to the class. We don't criticize anyone's writing. It's a great way to make new friends and try something new. We meet every Friday at 10:30 am until 12 noon. Short stories, poetry, biographies, or whatever you feel like writing. Please give us a try.

Yup, you just might like it. And what a legacy to leave your children. $2 for members/$3 for non-members. Leader Pat Goodman.

We still need volunteers. We are getting a little busier, which is a good thing. We need receptionist help. We also would encourage you to check with Marsha Clayton, the Board President, to see if you could come to one of our board meetings and see what we do. We need some new ideas and help. Board members open and lock up, and stay during the events, per required by our insurance company. We have lost a couple of members due to illness. So if you are bored staying home, get out of that chair and come be around good, fun people, and give of your time and talent. You'll feel good helping.

Work all Week? Need something to look forward to? Here it is!

2018 Starlight Review was Saturday (Jan. 27, 2018)

And what a night of laughter, singing, and dancing. This is a biased review *smile*. Bravo to Marsha Clayton and the fantastic performers and volunteers who helped.

I was only going to write a short review and comment on a few things. Can't doit this was too good, great evening, enjoyed by all. Now don't you wish you would have come? Next year, don't miss it okay?
Enter in the **Razzle Dazzle Dancers**, ladies of ages from early 30's up to 70ish, tapping their way through the audience dressed in bright red outfits. Dancing to "In the Mood", the crowd started clapping before they even danced, and as they finished they got more applause. It was great and they did two more after that. Be Bop A Lula and finished with "Boogie Woogie Bugle Boy". The dancers are: Marsha Clayton, Nubbie Crawford, Dawn Hoffman, Pat Dillion, Lynn Librizzi, Patti Patch

Jared Ingersoll	Sang "God Bless the Child" And "Pretty Woman"	Great voice, very talented, plays the piano and other instruments
Hannah Morse	Sang "Before the Next Tear drop Falls" Also sang "I put a spell on you"	Beautiful, strong voice, 2nd song was fun. Very animated singer.
Chuck Rivet	Sang "Everybody Loves Somebody and also, sang "Memories were made of this".	Came out imitating Dean Martin, drink in one hand, and (fake) cigarette in other. Did a good job of it too.
Elizabeth King	Sang "Will you still love me tomorrow" and later with Jared Ingersoll a duet "Unforgettable)	Beautiful sultry voice, very relaxing to listen too. The two together, their voices blend well.
Joe Kern	Sang "And I love You So" 2nd act sang "You Are My Special Angel"	Has a deep mellow voice, and sings those oldies so well.
Barbara McGillicuddy	Sang "Yesterday Once More" and later "Got the Old Jones for Blues" and then "I will Always Love You"	Sang that with power with a New Orleans attitude, sun glasses and all while Mike Schuler played the harmonica. Great performance. Nice climb to the high notes.
Rick Librizzi	Sang and oldie "Happy Together" 2nd song was "On Broadway"	Got the audience to sing the with him.. His second song was really strong. You could tell he liked that one so did we.
Kelly	Sang a great oldie too "Anticipation" 2nd song was a favorite of Patsy Cline, "Crazy"	She does a great job with putting feeling in the songs she sings. Loved the Patsy Cline song.
Carolyn Schuler	Sang with animation "Pink Shoelaces" and Dooey was her boyfriend ( ) And "She's Got You" a parody,	She had fun with both of her songs, that's my kind of entertainment with humor. Especially the 2nd song. Fun.
Cat Simkins	Did a GREAT job of narrating the program	Strong voice and great script, presentation was great.
Decorating team and Dotti	Decorations were fantastic as usual Presented awesome desserts of all kinds	

All in all it was a GREAT night If you go to the web site we will upload some of them. That's my story and I'm sticking to it.. http://nbsc.website/
