Message from the President

Exciting news for our center. We will be starting Bingo on Thursday nights in December. It will be held from 6-9pm every Thursday evening. Come join the fun and bring a friend. We also want to welcome back Tai Chi on Tuesdays from 10-11:30am. We are looking for people to join our Board. If you are interested please tell Michelle or one of our Board Members.

Message from the Operations Manager

We are excited about the extension of our daytime Bingo to also include night Bingo. We are always looking for more suggestions for our activities. Stop by the Ops Managers office or write your suggestion down and leave at the reception desk. If it fits and will work here, we will give it a try. Nothing ventured, nothing gained. We really would like to hear from the age group between 18 and 49. Call or stop in. We would love to have you here.

Bill Farrell

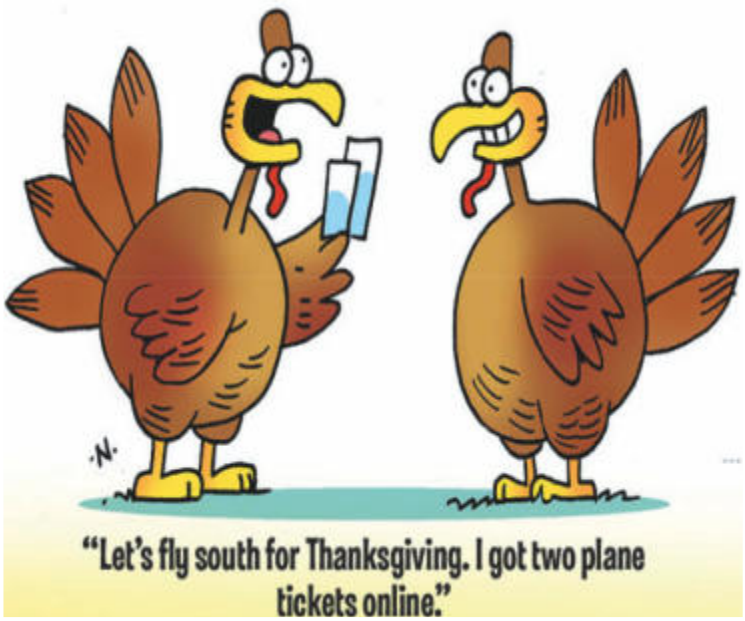

Bill Farrell of Titusville has been a member of our center since 2009. He is currently the coordinator of Monday night Poker game and on the board of directors. He also plays poker on Wednesday afternoon with friends. He has lived in Florida since 1969, and married to Anne Farrell. He also has worked at the Kennedy Space Center as a contractor. In his spare time, he enjoys playing golf, taking cruises, and hunting. His claim to fame is he sleeps with the assistant treasurer.

If you are a poker player, come join the Monday night game at 6 p.m. and meet some new friends.

Quiz: I was a Air Force Policeman for 4 years. Stood Honor Guard for 3 presidents. Who?

That Time the Turkey Was Done Way Too Early

"Last year, I couldn't find my grandma's turkey recipe card and looked up how long and hot to cook a turkey online. The internet lied. My turkey was ready about three hours before people were even scheduled to arrive! I called my grandma in a panic and she diagnosed me like Dr. House, asking all these diagnostic cooking questions: *How long did you have it in for? What temperature was it at? How big is the turkey? What color is the skin now? What are you basting it with?* She talked me down and we rigged a tin foil moisture response system to keep it warm. Luckily, it turned out great!"
